## Renewal of Cross country ski course signs

A part of course signs in the Asahidake cross country ski course have been renewed.

We removed old signs that were difficult to understand the contents and installed new ones. We also installed signs on the place where the space between the signs was wide before.

Please refer the new course map installed last year and new signs when you skiing.

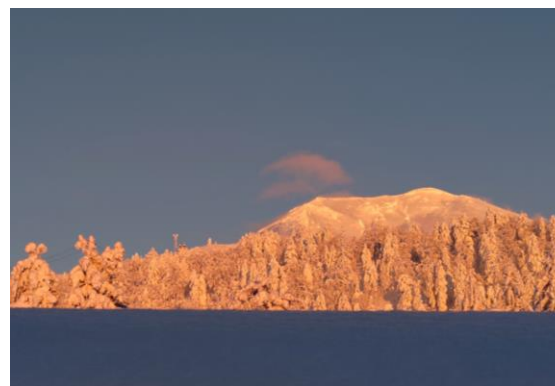

## Status of Asahidake Ski Course

B, C, and D courses are open.  
Course A is closed. (As of Jan 30th)

Please check the Asahidake Ropeway website for the latest information.

## Evening Glow of Asahidake

There aren't many clear days in Asahidake. But on a clear day, mountains turn into shades of pink and orange during the sunset.

If you look back Asahidake on the way home, you may be able to see the beautifully dyed Asahidake.
