### \*Fine Weather Continues

Fine weather has been continuing in March. Last weekend, weather was really fine, the parking lot of Asahidake Ropeway was full. Some people walked with snow shoes toward the fumaroles.

The number of days can be watching Asahidake dyed in pink at dusk has been increasing.

※ The weather of Asahidake is very changeable. The whiteout conditions come suddenly and reduce your visibility to near zero. Visitors unaccustomed with high mountain need to pay attention.

Please don't go too far under bad weather condition or move with experienced local guide to make sure you can return.
